Environmental, Health and Safety Policy Statement

Plains All American and its affiliated limited partnerships adhere to high standards of environmental quality and are committed to providing a work place that protects the health and safety of our employees and the communities surrounding our facilities. In fulfillment of this commitment, the Partnership will:

- Comply with the laws, rules and regulations that pertain to the environment, health and safety and are applicable to the Partnership's business.
- Verify compliance through self-monitoring programs and regular facility assessments, and, in a timely manner, correct any conditions in our operations that have a significant adverse health, safety, or environmental impact.
- Train and empower each employee to recognize his or her responsibility and accountability to perform all activities in a manner that is safe for the employee, their co-workers and the environment.
- Establish and maintain corporate controls, including periodic reviews, to ensure that the Partnership's policy is being properly implemented and maintained.
- Participate when possible with government on a federal, state and local level in creating reasonable and attainable regulations to safeguard the community, workplace and the environment.
- Assess potential environment, health or safety liabilities prior to the sale, lease, transfer or purchase of real property.
- Establish appropriate design, construction, operating, and maintenance programs and practices to minimize risks, reduce releases and waste, increase energy efficiency, and conserve natural resources.
- Establish programs to analyze and mitigate risks, investigate significant environmental and safety incidents, and prepare for and respond to emergencies.
